

# PATHWAYS TO DELIVERY

Due to the sensitive nature of the curriculum, WAGGGS will work with organizations to ensure that they are prepared and ready to deliver the curriculum effectively and safely. This document details the process for external organizations to follow if they are interested in delivering the Voices against Violence curriculum.

If you have any questions please contact WAGGGS at [stoptheviolence@waggs.org](mailto:stoptheviolence@waggs.org).

## VOICES AGAINST VIOLENCE

## EXTERNAL ORGANIZATIONS

### STEP 1

#### EXPRESSION OF INTEREST

Complete a Voices against Violence expression of interest form and send to [stoptheviolence@waggs.org](mailto:stoptheviolence@waggs.org). The expression of interest form is downloadable from [www.stoptheviolencecampaign.com](http://www.stoptheviolencecampaign.com)

### STEP 5

#### ROLL-OUT PLAN

External organizations will be required to complete a roll-out plan for the curriculum. This will include the timelines for delivery and how many participants they will reach. WAGGGS will approve and make recommendation to the plan.

### STEP 2

#### GUIDELINES

After submitting the expression of interest form you will receive the Curriculum guidelines for external organizations. After this WAGGGS will meet with the organization to address any questions and decide a timeline for the next steps.

### STEP 6

#### AGREEMENT LETTER

External organizations will then sign a letter in which they agree to uphold the principles of the curriculum and to deliver it safely.

### STEP 3

#### CHILD PROTECTION POLICY

Organizations will be asked to provide their child protection policy or safeguarding procedure for WAGGGS to review. WAGGGS will assess the policy and make sure it covers the necessary areas to be able to deliver the Voices against Violence curriculum safely. This includes having a process in place to respond to disclosures of experiences of violence and abuse by children.

### STEP 7

#### CURRICULUM AND DELIVERY

WAGGGS will then supply the organization with:

- The leader's handbook
- 4 age activity booklets
- Monitoring and Evaluation tools
- Training package for leaders

External organizations can then begin to deliver the curriculum.

### STEP 4

#### ACTIVATE TRAINING

External organizations will then attend a Stop the Violence ACTIVATE training event. During this event participants will develop their understanding of gender-based violence, their understanding of the necessary safety frameworks needed to work on violence against girls, and develop an action plan to deliver the Voices against Violence curriculum.

If an external organization has sufficient and extensive experience of working on gender-based violence then they may not have to attend an ACTIVATE training event.

### STEP 8

#### MONITORING AND EVALUATION

External organizations are responsible for ensuring that they evaluate the curriculum and send the data back to WAGGGS. Organizations are also required to fill in an annual report to WAGGGS updating them of the roll-out of the curriculum.
